YOU'RE INVITED TO BE MY FRIDAY FRIEND

WHO: YOU!

WHAT: Friday Friends is Mecklenburg Ministries' citywide program to foster relationships and build greater understanding between people of different racial/ethnic and faith backgrounds. It is a commitment to meet monthly for lunch (or coffee or whatever works best) for four months.

WHEN: Lunches are set up between Friday Friends whenever it is most convenient (many meeting the 4th Friday each month.)

WHERE: That's the fun part. We can choose the time and lunch/coffee location that works best for us!

WHY: It's a great way to build our friendship, to connect beyond the color of our skin or religious beliefs, and to get to know each another as people, not as "categories." Mecklenburg Ministries will provide questions for each meeting to help take the discussion – and our relationship – deeper.

Please let me know if you would like to accept my invitation.

We can set a time and place for our first meeting.

Visit www.meckmin.org for more information about the program.
