2022 Thanksgiving Sponsorship Opportunities

Mecklenburg Metropolitan Interfaith Network (MeckMIN)

The 2022 Community-Wide Interfaith Thanksgiving Service will include Indigenous Carolina Catawba, Lumbee, and Tuscarora artists and activists in crafting a service that incorporates their traditional and current practices to address the mythmaking around the traditional Thanksgiving story, offer a truer and more complete story, and suggest actions toward justice that attendees and MeckMIN can take. While deeply rooted in Indigenous history and traditions, the service will be accessible to people of all faiths.

We are seeking sponsors to join us in bringing the service to life.
